Greetings to all! Month of September is a very important month as it is the start of the academic year in many countries, in which children go back to school after the summer break. A teacher, possesses the tremendous power to influence the shape of a society and in turn the nation, because he is the one who is responsible for nurturing young minds, directes them to the path of salvation and ultimate success in life. The importance of a teacher is something that does not require any explanation. The need of a "GURU" or a "MENTOR" is indispensible to a human, which is well realized to a person during his hard times, a typical example of which is Arjuna who, with the help of his mentor Shri Krishna was able to put himself on the righteous path. The utmost gratitude towards a teacher can be vibrantly observed in the heart of Dr. Sarvepalli Radhakrishnan who said to his pupil, "Instead of celebrating my birthday separately, it would be my proud privilege if September 5th is observed as Teacher's day". That is why, when most of the countries is celebrate teachers day on 15th of October, we in India celebrate it on the 5th day of September. Our best wishes to the students of SBS for commemorating teacher's day and welcoming new students admitted in current academic session. Always keep learning to stay enlightened as an old Persian proverb says:

"He who knows not and knows not that he knows not is a fool; avoid him.

He who knows not and knows that he knows not is a student; teach him.

He who knows and knows not that he knows is asleep; wake him.

He who knows and knows that he knows is a wise man; follow him.

Good luck for all future endeavors.

Thanks and Regards

Faculty Awards

Rotary Club, Dehradun, presented Certificate of appreciation to Miss Urmi Chaurasia for her outstanding service to the community with exemplary dedication and commitment in imparting education, knowledge and wisdom to the young generation which is future of this country.

The award was presented at a function organized by Akhil Bhartiya Swantantra Patrakar Avom Lekhak Sangh, at Hansraj College, Delhi University amrking the 130th Birth Anniversary of former President of India Late Dr. Sarvapalli Radhakrishnan.

Swachhta Pakhwara

Sardar Bhagwan Singh PG Institute, Balawala observed “Clean Surrounding Day” today under the program of Swachhta Pakhwara. The fortnight long program is being conducted across the Institute and the surrounding areas of Balawala from 1st September to 15th September to spread the message of cleanliness. Today’s program started with flagging-off ceremony at the Institute Gate by the Management, administration and faculty. Students along with NCC cadets of the Institute actively participated in the cleanliness drive by collecting waste from the nearby areas of the Institute. An awareness campaign along with street play was organised to create awareness about the importance of health and hygiene on society. Students campaigned on the streets of Balawala and also went to homes in surrounding region and told the importance of cleanliness. They also informed them about the proper disposal of the household garbage.

Sitar Vadan

An instrumental evening under the aegis of 'SPIC MACAY' left a magical impression on the premises of Sardar Bhagwan Singh P.G Institute, Balawala in the evening of 6th September. Sitar Maestro Pandit Prateek Chaudhuri mesmerized the audience with his sitar recital. Pandit Prateek Chaudhuri’ ssitar rhythmically matched with the beats of tabla played by his companion Shri Bivakar Choudhury. It was a quite mesmerizing event for the audience. The event was graced by Management of the Institute, Heads of the Departments, faculty members and students. The music session was followed by an interactive session with the students.

Teacher's Day

Teacher's day was celebrated with great fanfare at SBS P.G. Institute, Balawala to commemorate the birthday of our second President Late Dr. S. Radhakrishnan. The celebration started with the lamp lighting ceremony by the Heads of the Departments of various courses. Teachers also cut the cake to celebrate on this occasion. All students and teachers were present during the ceremony.

The students of SBS Institute showed love and respect towards their teachers by presenting various cultural programs like skit, dance and singing performances and made this day a memorable one for their teachers. Students expressed their gratitude towards teachers and said they owed all their success to them. The teachers highlighted the life of Dr. S. Radhakrishnan and urged the students to take inspiration from him. Teacher also shared a few words of encouragement for the students who had worked for days to organise the event. The special day ended with joyful mirth and cheerful laughter as teachers thoroughly enjoyed their day out.

Himalayas- A capable scout

“Himalayas in our heart core, a king of victory,
standing still for the end of enemy”

Himalayas stand like a mighty wall in the lap of our mother land India. Protecting us from invading winds, enemies piercing our integrate souls. The mountain ranges in northern hemispheres has yet visualized a many difficult times for us and fighting it out to get the peak of our victories. Thus the national boundaries of India are tempted out to speak of the importance of Himalayas . As it provides iniquity, integrity, civilization, from earliest times to our own times. Beside Indus , Ganges , Brahmaputra takes there rise on these Himalayas . it has given a climatic protection too, providing a moisture to soil in rain regulating cycles of monsoon on the lands in form of our divine tributaries. Commerce, migration and invasion have recurrently came this way into the historic persona of the great Himalayas.

The Himalayas comprise the feature of distinction, to any other mountain ranges anywhere in the world affecting the life of people and configuring the destiny with a life full alive approach. He has always relevant to mother India as a relation of body and soul. By virtues of his high altitude, length ,and direction , they effectively intercept the monsoon distribution in the lands. It proved to be a natural home to about 1000 species of birds, 300 species of mammals, and several reptiles and aquatic life. The region comprises ecological biodiversity beyond to be called as water tower of the world .It gives a way for binding a hydroelectric valley to accord with it. It also provides a shelter to a well known endanger species of **Cornus macrophylla** at height of 1500-2000 mtrs. above the sea level.

The abrupt rise of the Himalayas from the seas to the highest point on the earth, along with the geologic and tropological complexity of the mountain system.

हॉ अब मैं बुढ़ा होने लगा हूँ ,
कतव्य निर्वाहन की बेड़ियों से कुछ जुदा सा होने लगा हूँ

खोल के इतिहास के मेरी विरासतों के पन्ने,
देखते-देखते हिमालय से , बर्फ का गोला होने लगा हूँ ।

आखों से भविष्य की छवि को अब खोलने लगा हूँ,
उभरते भारत के नए सूर्यो को विछदित देखने लगा हूँ ।
आदर तो करता था बहुत लेकिन अब वक्त की कमी में,
सब बोलने लगा हूँ , सब कहने लगा हूँ।

मन में जितने उदगार थे मेरे ,
अब उन्हें नदियों में खाली करने लगा हूँ,
जो बार-बार अटकने आती प्रहवाहनियों में ,
उन्हें अपने ही उदभवों का कारण कहने लगा हूँ।

हॉ अब मैं भारतीयों के मन से ओझल होने लगा हूँ ,
अब मैं बुढ़ा होने लगा हूँ ।

A Bookfair - My View

"There is no friend as loyal as a book." A quote by Ernest Hemingway is indeed true. Books are those where we are involved in them. These are the gifts by uncountable writers and poets which you can open again and again. Perhaps, the place where these gifts are showcased in an extremely beautiful settings is a paradise for readers.

On 1 September, Friday, 48 students of various Departments of SBSPGI went to book fair organized at Parade ground, Dehradun. That day was extremely beautiful so was the book fair. As we entered, the place was shining with lots of lights. There were about 50 stalls of books of different publications. The place had no limitation for language as well; Hindi, English, Urdu and what not! The book fair was also having a program by a poet at one corner for the school children. The students were picking and buying the book of various writers and yes, they were not judging the book by its cover!

Fresher's Party

Experiences teach us the most functional and fundamental aspects of life and there is nothing more exciting and raw phase of life than a new experience.

Above of all such experiences, the most delightful journey is the college life in which new bench mates waits to transform him/her as a personality.

Adding to one same, this year SBSPGI organised a combined fresher's party on 19th Sept 2017 and 20th Sept 2017 for UG and PG courses respectively.

The program started with lamp lighting where all dignities of the Institute joined a huge mass of new/ freshly arrived students. Further programme got lightened up various performances by students and compiled up announcing Mr. and Ms Fresher 2017. The entire program was successfully organised by combined efforts of students of respective departments, teachers and management of the Institute.
