**The Fresher's Sunrise.....** Change is inevitable ; and change is the only constant in life. The most important and life determining change a student face in his life is the change from school life to college life. The College brings a complete new surrounding and adventure to the student. The adventure of mixing with different cultures, different languages, different talents across many regions and also give new Independency to the young brain. The young students who have just got out of their comfortable nutshell are always ambitious and excited about the new journey. The 23<sup>rd</sup> and 24<sup>th</sup> of September were the days when SBS campus welcomed their new faces with generosity on this very graceful Silver Jubilee equinoctial year. In Fresher's ; the reckless beating of heart ; and the walks in the ramp ; every step was being counted ; every heartbeat was being heard ; the pin drop silence before announcing the name felt like the monotonous sound of breeze that left us with no words inside.

Besides this, the month of September was packed with various other activities including Teacher's Day celebration, Talent Hunt program by Red FM, Physiotherapy Workshop. Also, new members have joined SBS family.

Happy reading ! **Editorial Team**

### From The Desk of Vice Chancellor

Prof. A.K. Sharma

It is my privilege to welcome fresh new faces to SBS family. I know, it is difficult to adjust yourself in a completely new environment especially for UG students. The very first day, student is ambivalent about the college, happiness of getting into a new place, the grief of leaving the city or school, the memories of school friends, and afraid of being in a new place marks the start of the first day. But, that's the beauty of our

University, with experienced and cooperative faculty & staff, friendly seniors, it does not take longer for new member to blend with the family. The SBS university is full of opportunities in academic as well as co-curricular arena. So, I wish that you extract best possible opportunities to achieve your dreams. Wish you all a very best of luck.

Dear Students, SBS University has been established with the sole objective of delivering the best both in academics and extracurricular activities to prepare world class professionals competent enough to cope with any situation in their future endeavor. Remember that you are **HANUMAN** and we are here only to remind and dig out your inner potential. So trust yourself, dare to dream and fly high to fulfill your dreams. For this you need to plan nicely & clearly to set your achievable goals. No matter how well you have planned, you shall have the courage to accept failures, if any. Don't get frustrated, be cool, keep courage and try to learn from your failures to find out the key problem and then overcome it when it occurs again.

Please remember that educational institutions are made by students and are for the students. It is advisable to the students to get indulged in academic and co-curricular activities actively and follow the rules laid down to attain the goal and develop your overall personality. Once again, I wish you all the best and hope you identify your inner potential to achieve your dreams.

My best wishes to you all.

### Message Dean Academics

Prof. F.C. Garg

I take this opportunity to welcome the Newly Admitted students in SBS family and hope that you feel comfortable in the new environment. You all celebrated Teacher's Day on 5<sup>th</sup> September with great enthusiasm for which you all deserve a big applause for nicely organizing the same to pay

respect to your teachers. I feel this is a very good tradition being followed in this campus which is full of enjoyment both for the teachers as well as students and shows the extent of interaction among tutors and disciples followed in your university. I personally congratulate and thank one and all for organizing this event.
