Vol XVI, ISSUE 06, MAY-2021

Editorial

The month of May witnessed a massive surge of COVID-19 cases and death in India. The emergence of new variants of SARS-CoV-2 is even more threatening. At the same time, paradoxically, mass gatherings, political rallies and even protests are going on in an uncontrolled manner. With the ongoing Covid-19 crisis, most individuals are juggling with mental stress, anxiety, and depression. We urge our readers to use each day as a challenge to get away from negative affirmations and also help others to stay positive.

*“You may not always have a comfortable life. And you will not always be able to solve all the world's problems all at once. But don't ever underestimate the impact you can have, because history has shown us that courage can be contagious, and hope can take on a life of its own.” ~~~~

Continuing with the tradition of SBS Times, this month's issue is being released with articles & poem from students & Staff and hope of a better and brighter future of all the readers.

Message - Advisor and HOD MLT/MM

A “good” university typically depends on what you value most as a student and desire to get out of your post-secondary experience. For example, some students might want to have lots of research opportunities, library resources and courses in a particular discipline, while another might prefer networking, socializing, and exploring a wide variety of courses. It is my proud to inform you

मूल्यवान होते हैं आंसू

मूल्यवान होते हैं आंसू,
जहां- वहां बेकार न करना।
यदि खारे जल की जरूरत पड़ी तो,
समुन्दर को भी इन्कार न करना।
जिसका साथी ना हो,
जग में कोई ऐसा प्राणी नहीं है।
आंसू जल अमृत के समान है,
कोई साधारण प्राणी नहीं है।
अपने जीवन पथ के गीत का,
तुम स्वयं श्रृंगार करना।
मूल्यवान होते हैं आंसू,
इनको ना तुम बेकार करना।
हो सके तो निर्बल के,
काम आ जाए ये आंसू।
ना जाने कब किसे किस रूप में,
वरदान बन जाए ये आंसू।
आंसू आएंगे उसी को,
जिसके दिल में दया की नमी है।
नहीं छलके आंसू तो समझो,
मन मैं भावों की कमी है।

आंसू दया है करुणा है आंसू,
आंसू प्यार है पीड़ा है आंसू।
ममता में आंसू हताशा में आंसू,
विकुडो की यादों में आते हैं आंसू।
पीड़ा में टपके तो कमजोरी है आंसू,
खुशी में हल्के तो मजबूती में हैं आंसू।
अपने दर्द में कम खर्च हो तो सही है,
काश! दूजे के लिए मलहम बन जाए आंसू।
हर छलकते आंसू को तुम प्यार करना,
मन भावनाओ के प्रणय को तुम स्वीकार करना।
पर काम आए आंसू हमेशा सही जगह पर,
तुम जहां-तहा न आंसू बेकार करना।
मंजिलों के रास्तों की,
खूशामद करना बेकार है।
मेहनतों से लक्ष्य पाना,
जब तुम्हें स्वीकार है।
मूल्यवान होते हैं आंसू,
इनको जहां-तहां ना बेकार करना।
यदि कभी समुन्दर को भी जरूरत पड़ी तो,
देने से इनको ना इनकार करना।

The Nalanda

Once upon a time, there was a mighty place
With thousands of books, from all over the state
It had the greatest scholars, from over the world
And students used to solace, in its corners
Where knowledge was encouraged and
subjects were diverse
But some ferocious rulers, seemed to be bit averse
This university was way ahead of its time
Little we all know how much it was fine
A day so cursed, this place was burned
Shattered the knowledge accumulated by the marse
Still we have no guilt, no shame
In remembering the Nalanda's great name

Money Dominate Over Humanity

People are running after the money. Human beings are suppressing humanity for money. Humans are drawing in the quagmire of money in the race of showing off to each other. Earlier people used to say "don't run after money, money can't buy feelings" but in today's era people think that money is everything and money can buy everything. But now we should change ourselves and be more humble. Our personality should not be based on money it should show our ability. Addictions to money is such a disease like, if it is not saved at the right time it can end a person. It also keeps you away from your loved ones and makes you addicted to bad habits. Money does not have believes, because money is not a human being. So we have to know the difference between money and human and should give importance to humanity thus we have to change ourselves. Money can buy things but not human and wisdom. We should know the importance of being a human. Money can be earned with time and need, but we can't earn the person left behind.
