A new year gives us an opportunity to reflect on the year ahead, the achievements and hard work of the past year and thereafter brings with it the expectations of a brighter future. The month started with the onset of End Semester University examinations and continued by the winter vacation for faculty and students. The most important highlight of this month was the coincidental observance of our 74th National Republic Day as well as the auspicious day of Basant Panchami. This festival is celebrated by praying to the goddess of knowledge and wisdom, Maa Saraswati. By the grace of goddess we marked the beginning of our new semester.

The school of Pharmaceutical Sciences and Technology organized a two day workshop on Research methodology and scientific writing for the post graduate and Ph.D. students. The workshop was a huge success and the participants gained quite a lot of information about the field of research as well as for those who want to enter in the same.

### SAVE GIRL CHILD

*"There is no limit to what we, as women, can accomplish." - Michelle Obama*

A world devoid of girls would be like a world devoid of water. Female foeticide is another major issue that further affects the demographic problems in India. National Girl Child Day 2023 is observed on 24 January. The objective behind celebrating National Girl Child Day is to provide support and opportunities to the girls of India. No doubt, the step of the Government of India to celebrate National Girl Child Day is an improvement mission for young girls and also a promotion of the significance of girls as a child. National Girl Child Day was first initiated in 2008 by the Ministry of Women and Child Development. Various schemes are mentioned by the Government of India to make the living status of the girl child better. Also, the Government of India organizes several campaigns to increase the consciousness among the people regarding girl children in Indian society. This day guarantees that girls' rights, respect, and value are upheld across the nation. The women and child development ministry listed a number of steps taken by the government in this regard, like:

**Save the Girl Child,**

**Beti Bachao Beti Padhao,**

**Sukanya Samridhi Yojana**

**CBSE Udaan Scheme**

**Free or subsidized education for girl child,**

Reservation for women in colleges and universities

Every year, a different theme is chosen.

Girls are the future, and we need to make sure that they have every opportunity available to them. From fighting for their rights to education, from health to economic empowerment, there is no limit to what girls can achieve when they are given the chance. We hope that this day was a reminder of just how important it is to support girls everywhere, and that the momentum continues into the future.

## हिंदी हमारी आधारशिला

जन्म के साथ-साथ हमारी माँ जो हमारा पालन पोषण करती है। हमे संभाल के रखती है,की हम आगे समाज में पहाड़ की तरह फौलाद बन पाए उसी तरह एक भाषा जो दूसरी माँ की तरह हमे समाज में जोड़े रखती है, वो है

हमारी मातृ भाषा।

जो हमे माँ को माँ और आप को आप कहना सिखाती है। वो है मातृ भाषा हमारी हिंदी।

हिंदी मे श हो या स हो साफ ही फर्क समझ पढता है।

भाषा जिसका उद्गम संस्कृत से हुआ उसने हमे इस

धरातल मे बटोरे रखा है,उसका हम शुक्रगुजार है। हिंदी

दिवश को एक विशेष ओहदा देना उतना ही जरूरी

है।जितना की हमारा इस जीवन में निजी कार्यों को

जीवित करना।

चाहे कवि प्रेमचंद्र हो चाहे विश्वाश जी,

तब की बात हो या अब कि इसने हमे दुनिया में पहचान

का मोहताज बनाया है।

जिसने हमे हमारी अन्य देशों की भाषाओं में अलग पहन

दिलायी है।

हिंदी समझने वाले को हिंदुस्तान में स्थानीय और

अलग-अलग राज्यों की भाषाओं से जोड़े रखा है।

इसने हमे हमारी पहचान की अहमियत का हमे बोध

कराया है।
