### Kargil Divas

Kargil divas  
Far in a distant village,  
Small hands raised a flag,  
With a dream in his bag,  
Dream to protect the country,  
Dream to make history.  
Far in the distant village,  
The small hands had become strong,  
And any other thing than serving the country felt  
wrong,  
Dreams turned into reality,  
As the boy earned his destiny.  
Now not from the distant village,  
But from the boy from the borders,  
Fighting for his country,  
And forgetting his safety,  
Fighting with all his might.  
This boy representing the soldiers,  
Who were in the borders,  
Fighting for the country,  
And bringing as the most remembered victory.  
The Kargil War,  
Was a loud roar,  
From our countries soldiers,  
Who fought shoulder to shoulder,  
We are thankful to them,  
Not only today but every now and then.

### Inspiration all around

Inspiration all around  
My inspiration all around is a woman,  
as she is the most wonderful human;  
she is full of grace;  
but the more she is brave.  
she is patient when I'm foolish;  
it seems she is the most coolish;  
she always gives me guidance when I ask;  
she is the master of every task.  
she is always my source of comfort;  
no matter how much I spread dirt;  
she will always be my shelter when I fall;  
she always supports me whenever I call.  
I love her more than anyone knows;  
and respect her no matter how the time goes;  
she has always been my support;  
in every kind of court.  
she is my friend;  
she is my trend;  
she is my boss;  
everytime I toss.  
this women is my inspiration;  
yes, this women is my vision;  
yes, this woman is my mom;  
and i will love her all time long.
