Vol XII, ISSUE 04, NOVEMBER, 2023

Editorial

Dear All,

November was an enthusiastic and busy month filled with festivals and functions. Sardar Bhagwan Singh University succeeded in making the 29th annual fest a great commemoration that will be reminisced by the family of SBS for a long time.

'Bhava' or feelings is associated with the mind, intellect and heart. It's all about the emotional and devotional state where the right thing can make the most difficult task easy and seasoning with great effort adds sparkling to it. The annual fest came out sparkling and wonderful as the bhava was positive and the hard work of the student and faculty members was unmeasurable. "If you want to change the world, pick up your pen and write", said Martin Luther once. I'm happy to be a part of the Editorial Team and be able to witness the talents of the staff and students of SBS University, all combined and put into the further pages.

Further, you will find glimpses of the annual fest and the different talents SBS holds in it.

There are diverse people and each person has their ideas and different perspectives which leads me to think about how diverse we are and yet we all find ways to express ourselves in the best way we can.

Happy Reading
Editorial Team
Thank you.

Workshop

School of Physiotherapy and Allied Health organized a workshop on 28th October, under the Topic “Neuro Developmental therapy and Pediatric Neurology”. Dr. Harihara Prakash, an eminent and experienced guest faculty acted as resource person. Prof. (Dr.) Prakash is currently the Principal at the KM PATEL INSTITUTE of physiotherapy, Bhaikaka University, Karamsad Anand, Gujrat. The interactive session comprised of assessment methods discussions and demonstration of various facilitation techniques of NDT in children of Cerebral Palsy.

PHYSIOTHERAPY SERVICES

Department of Physiotherapy served at the State Level Athletics Championship organised by Department of Education, Dehradun Uttarakhand from 28th to 30th October at Maharana Pratap Sports College, Raipur, Dehradun. Also distributed about 500 dozens of bananas for athletes, participants and officials present.

Photography Workshop

On 4th November the Photography Club organized a workshop in collaboration with Animal Planet India. It was a testament to the university's commitment to offering students opportunities that go beyond conventional classroom learning. Dr. Shubham Omer, an esteemed alumnus of SBS University, took centre stage as the key speaker. This unique event was a celebration of creativity, learning, and the art of storytelling through images.

Workshop cum Hands on Training

Students of Microbiology Department participated in a Workshop cum Hands on Training on Biomedical Techniques conducted by USERC in collaboration with AIIMS, Rishikesh. During this workshop, the students learned advanced technologies that are being used in Molecular Biology, Biochemistry and Microbiology.

Faculty Achievements

Heartiest Congratulations to Ms. Urmi Chaurasia (COE) for being Awarded certificate of appreciation for contribution in the field of education on 4th Nov, 2023 by “Shri Ram Manorath Verma Charitable Trust” at R.M.V Memorial Auditorim, SGOI, Dehradun.

Heartiest Congratulations to Dr. Niki Nautiyal (Faculty Member of Biochemistry & Biotechnology Department) for being Awarded as “Young Women Scientist” on 22nd Nov, 2023 by USERC (Uttarakhand Science Education & Research Centre) on the occasion of Women Scientist Conclave 2023-2024.

Expert Lecture Series

Department of Biochemistry and Biotechnology conducted Expert Lecture Series I on 6th November'2023. Two experts, Dr. Jay Prakash Verma from Banaras Hindu University, Varanasi, and Dr. Giridhar Babu Anam from Yeungnam University, South Korea, delivered the talks. Dr. Verma gave an expert talk on the topic “Phytomicrobiome as Bioinoculant for sustainable crop productivity”, and highlighted the different types of plant growth promoting bacteria, and described the role of phyto microbiomes in sustainable agriculture for drought, disease resistance etc. The second resource person, Dr. Giridhar Babu Anam, enlightened the session with a talk on “Freshwater Ecosystem under Siege: A deep dive into cyano bacterial blooms and remedial research. He especially highlighted cyanobacteria blooms and their poisoning into the aquatic system. Further he also described the role of phage in cleaning cyanobacterial blooms. He also described the role of artificial intelligence and molecular methods. The event was inaugurated by Prof (Dr) J.Kumar, the Hon'ble Vice-Chancellor who delved into the applications of bioinoculants for sustainable agriculture and the threats cyanobacteria blooms poses on the aquatic systems. Faculty members and students participated in the event.

Rotaract Club

The Rotaract Club of the University took a significant step towards promoting menstrual hygiene by organizing an awareness program for girl students at Government Inter College, Balawala on November 6th.

The program aimed to educate and empower young girls about the menstrual cycle and provide essential tips for maintaining cleanliness during this crucial period.

Educational Visit

Department of MLT and Medical Microbiology organized an educational visit to the Blood Bank on 06-Nov-23 at IMA Blood Bank of Uttarakhand, Dehradun

Hands on Training

The School of Agricultural Sciences organized a one week Hands on Training (HOT) on Technical management of Agro-Horticultural crops under open field and greenhouse conditions in Dehradun region of Uttarakhand under the ICAR- READY Programme on 2-8 November. The Students were exposed to different agro-techniques employed in nursey management, crop cultivation and management of various horticultural crops.

29th ANNUAL DAY CELEBRATION

The University celebrated its 29th Annual Day on November 17, 2023. The event witnessed the presence of distinguished guests, Mr. Ashok Kumar (DGP, Uttarakhand) as Chief Guest and Ms. Himani Shivpuri, (Indian Film, Theatre, and TV artist) as Guest of Honour, who graced the occasion. The cultural extravaganza unfolded with a soulful rendition of Saraswati Vandana, play titled "YAMLOK," and various traditional dance forms of Uttarakhand and the vibrant "Folk Dance of Punjab: Gidda & Bhangra" performed with grace and fervor by the students. Certificates were distributed to all participants, recognizing their commendable efforts.

SBS celebrated its second day Annual Celebration in Full Swing on November 18, 2023 with fervour and enthusiasm. The celebration was graced by the “Chief Guest” Sardarni Harinder Pal Kaur Ji, (wife of the late Founder Director, Sardar Gurcharan Singh Ji). The creativities of students in Inter-House Creative Arts Society Competition “SAPTRANG”, Nature club competition and Photography exhibitions organized by respective of clubs and societies. The evening at the University metamorphosed into a realm of pulsating beats and live melodies on DJ.

RESPONSIBILITIES

Why are responsibilities hard?

Why can't a person be happy, stress free?

When responsibilities come their way,

Why does a negative thought come first?

Instead of a positive one,

Why can't it be a yes I will do it?

Instead of "how will i do it ?

"Why are we afraid of things that are not harming us at all?

But only making us strong,

bold, Why do we think about our future?

When we are living in our present,

Wasn't it that way that our present decides our future, Why are we this way?

Why are we we?

जनता को मंहगाई लगे

जनता को मंहगाई लगे, क्यों है ये भूख

शासन जनता के बीच कैसी है ये चूक

तेल खाने का मंहगा है जलाने का मत पूछ ।

मंहगाई या जनता की ना समझी

बीजेपी कोंग्रेस चाहे हो आम आदमी ।

जनता क्यों बेहाल है,

क्या इनको न मिल रहा वोट का अधिकार है ।

राशन सस्ती मुफ्त में बाट फिर भी न मिट रही इनकी भूख

कोरोना है, महामारी है,

अर्थव्यवस्था की मत पूछ शासन भी क्या करे मोदी भी मजबूर

मिडिया भयावह है लोगो की बाते है ।

डरते समाचार देखने को मोत का खौफ मत पूछ आखिर ये समाज

क्यों नही समझता अपने स्वार्थ के लिए सब धूर्तराष्ट्र सम्भालो सब

को समझो ये केवल मंहगाई का नही है रूप

भोजन सुविधाये मिली है, जनता फिर भी बातो में क्यों दे थूक ।

किस की गलती,किस पर गुजरी क्या शासन कि है नासमझी मै

छोटा मानव समझ रहा हूँ। क्यों जनता शासन में नासमझी ।
