EVERY NEW SEASON IS AN INVITATION TO BEGIN AGAIN

September arrives like a gentle turning of the page—the monsoon clouds slowly drift away, the morning air feels lighter, and the campus awakens to a renewed rhythm of learning and possibility. It is a month that carries the promise of fresh beginnings and the quiet excitement of what lies ahead.

At **Sardar Bhagwan Singh University**, this spirit comes alive through the enthusiasm, creativity, and achievements of our students and faculty. This edition of **SBS Times** brings together glimpses of the month—from academic and research initiatives to cultural activities, accomplishments, celebrations, and moments of community.

A university is more than its classrooms and laboratories; it is a space where ideas take flight, talents find expression, and dreams begin to take shape. Every achievement is a reflection of curiosity, perseverance, collaboration, and the courage to grow.

A university is more than its classrooms and laboratories; it is a space where ideas take flight, talents find expression, and dreams begin to take shape.

As we step into the months ahead, let us embrace every opportunity to learn, participate, create, and inspire.

May September remind us that every new season is an invitation to begin again-and to become better than we were yesterday.

Happy Reading!
Editorial Team

Krishna Janmashtami Celebration

The spirit of devotion and festivity filled **Mata Gujjari Girl's Hostel** as students came together to celebrate **Krishna Janmashtami** with great enthusiasm and joy. The celebration created a vibrant atmosphere of togetherness, allowing students to connect while reflecting on the timeless wisdom and teachings of Lord Krishna.

More than a celebration of Krishna's birth, the occasion served as a meaningful reminder of the values Lord Krishna represents—dharma, truth, compassion, courage, self-discipline, and selfless action. The celebration encouraged students to carry these values beyond the festivities and incorporate them into their everyday lives.

The joyous gathering beautifully reflected the spirit of faith, unity, and cultural heritage that enriches campus life.

Celebrating the Guiding Lights: Teachers' Day

"Teachers' Day is a tribute to the mentors and educators who illuminate our paths and empower the leaders of tomorrow."

Sardar Bhagwan Singh University celebrated Teachers' Day with warmth, gratitude, and enthusiasm, honouring the dedicated faculty members whose guidance extends far beyond the classroom. The occasion was a heartfelt expression of appreciation for the teachers who inspire students to learn, explore, question, and believe in their own potential.

The celebration highlighted the invaluable role of teachers in shaping not only academic journeys but also character, confidence, and values. Through their knowledge, patience, encouragement, and mentorship, educators continue to nurture young minds and prepare them to contribute meaningfully to society.

The day was filled with moments of appreciation, joy, and togetherness, creating cherished memories for both faculty and students. It served as a beautiful reminder that while knowledge opens doors, a great teacher inspires us to walk through them with confidence.

The SBS family extends its heartfelt gratitude to all its teachers for being mentors, role models, and guiding lights who make a lasting difference in the lives of their students.

World Physiotherapy Day

The **Department of Physiotherapy**, Sardar Bhagwan Singh University (SBSU), celebrated **World Physiotherapy Day 2026** with enthusiasm and active participation from students and faculty. The programme featured a **Free Physiotherapy Camp**, awareness activities, cultural performances, and various student-led initiatives.

The celebration highlighted the role of physiotherapy and physical activity in preventing, managing, and rehabilitating cardiovascular diseases and stroke. Through the free camp and awareness activities, participants were encouraged to understand the importance of regular physical activity, preventive healthcare, and timely rehabilitation.

The event also provided students with an opportunity to apply their academic knowledge in a community-oriented setting while developing greater awareness of the role of physiotherapy in promoting health and quality of life.

The celebration concluded on a positive note, reflecting the University's commitment to health, wellness, community service, and academic excellence

International Microorganism Day

The **Department of Microbiology, School of Life Sciences**, Sardar Bhagwan Singh University, observed **International Microorganism Day** through an awareness programme themed *"Unseen Worlds, Real Threats: Combating Swine Flu and COVID-19 through Microbial Awareness."*

The speakers, **Dr. Shailendra Kaushik** and **Dr. Priya Pandey Kaushik**, highlighted the significance of microorganisms in human health and emphasized the importance of understanding microbial infections, preventive measures, and responsible health practices.

In his message, **Prof. (Dr.) J. Kumar, Vice-Chancellor, SBSU**, highlighted the vital role of microorganisms and, referring to the **One Health** concept, emphasized the interdependence of human, animal, plant, and environmental health.

The observance reaffirmed SBSU's commitment to promoting scientific literacy, microbial awareness, and responsible practices for building healthier communities.

SBSU Faculty Conduct Academic and Career-Oriented Sessions for D. Pharm Students

Faculty members **Dr. Neetu Pandey** and **Mr. Ankush Sundriyal** conducted informative and interactive lectures for **D. Pharm students** at Government Polytechnic, Narendra Nagar, Tehri Garhwal, Government Institute of Polytechnic, Bacheliekhal, and Government Polytechnic, Pitthuwala.

The sessions focused on providing students with academic insights, practical knowledge, and career-oriented guidance, supporting their professional learning and development. The interactive discussions also introduced students to opportunities for higher education and academic progression at SBSU.

The initiative served as a meaningful academic outreach programme, strengthening institutional engagement while encouraging students to explore diverse pathways for their higher education and professional growth.

Ganesh Chaturthi Celebration

The hostel community of SBSU celebrated the auspicious occasion of **Ganesh Chaturthi** with devotion, joy, and enthusiasm. Students participated in the festivities and sought the blessings of Lord Ganesha for wisdom, happiness, good health, and success.

The celebration reflected the hostel's vibrant and inclusive environment, where students respect and celebrate festivals representing diverse traditions and cultures. Such occasions provide meaningful opportunities to appreciate cultural diversity and promote the values of harmony, respect, compassion, and mutual understanding.

The festivities created a positive atmosphere on campus and strengthened the spirit of cultural appreciation among students.

SBSU Sports and Athletic Club Conducts Football Trials and Volleyball Trials

The **Sports and Athletic Club** of SBSU successfully conducted **football and volleyball trials**, witnessing enthusiastic participation from students who showcased their sporting talent, skills, and team spirit.

The trials provided students with an opportunity to demonstrate their abilities and pursue their interest in football as part of campus sports activities. The initiative reflects the University's continued encouragement of sports, fitness, teamwork, and holistic student development.

The Sports and Athletic Club expressed its gratitude to the management of SBS University for providing students with a platform to showcase their talent and encouraging greater participation in sports.

The event marked another step towards fostering a vibrant sporting culture at SBSU.

SBSU Students Invited to Showcase Talent Through 'College Ke Tashan Baaz'

Students at SBSU are being encouraged to showcase their unique talents and participate in "**College Ke Tashan Baaz**," a platform offering young talent an opportunity to step onto the national stage.

Interested students can register for the talent initiative by **17 September 2026** through the official registration portal. The initiative aims to provide students with a platform to express their creativity, confidence, and individual talents.

Students are encouraged to participate, showcase their talent, and embrace the opportunity to gain wider recognition.

GPAT Scholarship

Two M.Pharm students have been awarded with the **GPAT Scholarship** of ?12,400 per month by the Pharmacy Council of India (PCI) from September 2026. Ms. Ankita Sarkar – M.Pharm, Pharmaceutics and Mr. Santosh Neog – M.Pharm, Pharmacology

Heartiest congratulations to both students on this well-deserved achievement

SBSU Alumna Secures Merit Rank 01 at SGPGI, Lucknow

Dr. Chahat Jaiswal (PT), MPT Neuro, Batch 2021–23, brought laurels to Sardar Bhagwan Singh University by securing **Merit Rank 01** in her first attempt for the permanent position at SGPGI, Lucknow.

First Rank in Ph.D. Entrance Examination

Mr. Hemant Joshi (Batch 2020–2024), secured **First Rank in the Ph.D. Entrance Examination** at Govind Ballabh Pant University of Agriculture and Technology (GBPUAT), Pantnagar.

Nation Builder Award

Dr. Swapnil Tiwari, a faculty member at SBSU, was honoured with the prestigious **Nation Builder Award** by the **Rotary Club of Dehradun** in recognition of his contribution and dedication towards teaching and shaping the next generation.

The recognition celebrates the significant role of educators in empowering young minds and contributing to the development of responsible and capable citizens. The award marks a proud moment for Dr. Tiwari and the SBSU academic community.

Students Gain Hands-on Learning in Structural Integration

Students of the Physiotherapy Department at SBSU participated in an enriching hands-on learning session on **Structural Integration**, gaining valuable clinical insights into fascial alignment, mobility, and holistic rehabilitation.

The session was led by **Dr. Jameela Murtaza Ezzi**, who provided students with practical exposure and shared valuable perspectives on the application of Structural Integration in physiotherapy and rehabilitation.

The interactive session helped bridge theoretical knowledge with practical clinical learning, enabling students to deepen their understanding of contemporary approaches in physiotherapy.

The University expressed its heartfelt gratitude to Dr. Ezzi for conducting the enriching session and appreciated the efforts of everyone involved in making the programme successful.

Expert Lecture on Artificial Intelligence in Biotechnology and Life Sciences

School of Life Sciences, Department of Biochemistry and Biotechnology hosted an insightful expert lecture on the application of **Artificial Intelligence (AI) in Biotechnology and Life Sciences**, providing students with an opportunity to explore the growing role of emerging technologies in modern biological sciences. **Dr. Manjit Kaur**, was the speaker;she highlighted the potential of AI-driven approaches in advancing research, data analysis, innovation, and applications across biotechnology and life sciences. The interactive lecture encouraged students to broaden their understanding of interdisciplinary technologies and explore emerging avenues in scientific research.

The University expressed its gratitude to Dr. Manjit Kaur for delivering an inspiring and informative session and for sharing valuable insights with the students.

World Ozone Day 2026

The **Nature Club**, in collaboration with NSS, SBSU, observed **World Ozone Day 2026** with a series of engaging awareness activities aimed at highlighting the importance of protecting the ozone layer. The programme featured inspiring speeches, poster presentations, an **Ozone Protection Pledge**, and an interactive awareness session, encouraging students to understand the significance of the ozone layer and their role in environmental conservation.

The activities provided an interactive platform for students to express their ideas and strengthen their commitment towards sustainable environmental practices. The observance concluded with a collective message to protect the ozone layer, promote environmental responsibility, and work towards preserving the planet for future generations.

Biotechnology Conclave

Dr. Santosh Kumar Karn, SBS University, along with Ph.D. scholars and final-year M.Sc. and B.Sc. Biotechnology students participated in the **6th Biotechnology Conclave** organised by the Uttarakhand Council for Biotechnology (UCB), Patwadangar, Nainital.

Around 15 students from the Department of Biochemistry & Biotechnology showcased their research through poster presentations. Dr. Karn presented his research work orally and received the **Best Oral Presentation Award**, along with a memento, certificate and prize money

Dramatics Society Organises Cultural Exposure Visit

The **Dramatics Society** of Sardar Bhagwan Singh University (SBSU) organised a cultural exposure visit for students to witness the renowned theatre production "**With Love, Aap Ki Saiyaara**" by Juhi Babbar Soni at the **IRDT Auditorium**, Dehradun.

The visit provided students with an enriching opportunity to experience professional theatre and gain practical insights into various aspects of stagecraft, dialogue delivery, character development, theatrical discipline, and audience engagement.

The exposure helped students appreciate the nuances of live performance while encouraging creativity, confidence, and a deeper understanding of the performing arts.

The initiative reflected SBSU's commitment to providing students with experiential learning opportunities that extend beyond the classroom and contribute to their holistic development.

National Pharmacovigilance Week 2026

The **School of Pharmaceutical Sciences & Technology** (SPST), Sardar Bhagwan Singh University (SBSU), observed **National Pharmacovigilance Week 2026** by organising an expert talk on "Pharmacovigilance in Medical Literature: From Published Evidence to Drug Safety Signals."

The session was delivered by **Mr. Vikas Aggarwal**, who provided valuable insights into the role of medical literature in identifying, evaluating, and interpreting potential drug safety signals. The discussion highlighted the importance of evidence-based approaches in pharmacovigilance and the contribution of published scientific information to ensuring medicine safety.

The expert interaction offered students an opportunity to strengthen their understanding of pharmacovigilance, drug safety monitoring, and the practical relevance of medical literature in contemporary pharmaceutical practice.

The programme reflected SBSU's commitment to promoting drug-safety awareness, professional learning, and industry-relevant education among pharmacy students.

World Pharmacists Day 2026

The School of Pharmaceutical Sciences & Technology, SBSU celebrated **World Pharmacists Day 2026** on September 25 with enthusiasm and active participation from students and faculty.

The celebration featured a range of creative and awareness-oriented activities, including creative competitions, an awareness rally, and a street play. The initiatives provided students with a platform to showcase their creativity while spreading awareness about the vital role of pharmacists in promoting safe and responsible use of medicines.

The street play and rally particularly highlighted the contribution of pharmacists towards medication safety, public health, and healthier communities, reinforcing the importance of the profession beyond the conventional healthcare setting.

The celebration reflected SBSU's commitment to professional awareness, experiential learning, and community engagement, while inspiring future pharmacists to uphold their responsibility towards safer medicines and better healthcare outcomes.

On the occasion of World Pharmacists Day, **Dr. Mohit Kumar**, Assistant Professor, SPST represented the university as a distinguished guest and speaker at Government Polytechnic College, Bachelikhal, Tehri Garhwal

Blood Donation Camp

The **Blood Donors Club** of Sardar Bhagwan Singh University (SBSU) organised a **voluntary blood donation camp** in collaboration with the Rotary Club Dehradun and Government Doon Medical College and Hospital, bringing together students, faculty, and staff for a meaningful community service initiative.

The camp was inaugurated by Vice-Chancellor **Prof. (Dr.) J. Kumar** and Rtn. Megha Bansal, President, Rotary Club Dehradun. The event witnessed enthusiastic participation from members of the University community, reflecting a strong spirit of compassion, social responsibility, and service.

The initiative aimed to promote awareness about voluntary blood donation and encourage the University community to contribute towards meeting the need for safe and timely blood supplies.

The successful organisation of the camp reaffirmed SBSU's commitment to community welfare and social responsibility, while inspiring students and staff to actively contribute to causes that can make a meaningful difference in society.

World Physiotherapy (AWP) Regional Conference 2026

Sardar Bhagwan Singh University (SBSU), Dehradun, made a significant mark at the prestigious **World Physiotherapy Asia Western Pacific (AWP) Regional Conference 2026**, held in New Delhi. The conference brought together leading physiotherapy experts, researchers and delegates from 75 countries and 24 states across the Asia-Pacific region.

More than 100 delegates from SBSU's Department of Physiotherapy, including seven faculty members, research scholars, students and alumni, participated in the international conference.

SBSU faculty members made notable academic contributions: Prof. Maneesh Arora delivered an expert talk on *Myokinetics*; Prof. Reena Kumari served as an organising team member, moderator and panelist; Prof. R. Arun Mozhi chaired a scientific session; while Dr. Meghna Wadhwa and Dr. Maitri Chaturvedi served as judges for scientific sessions. Dr. Priya Kamboj and Dr. Vishal supported students during registration.

The conference provided students with valuable exposure to international experts, scientific discussions, emerging research and global best practices in physiotherapy.

Guru Samman Diwas, Honouring Dedicated Educators

SBSU celebrated **Guru Samman Diwas** with great respect and gratitude, honouring educators whose dedicated contributions continue to shape generations through teaching, mentorship, and community service.

As part of the celebration, Mrs. Neena Uniyal and Mrs. Chhaya Khanna were honoured with the prestigious **Lifetime Contribution to Education Award** in recognition of their remarkable dedication and sustained contribution to the field of education.

The occasion highlighted the invaluable role of educators in nurturing knowledge, values, character, and social responsibility among learners. Their contributions serve as an inspiration to the academic community and reflect the enduring impact of committed teaching and mentorship.

The celebration reaffirmed SBSU's commitment to recognising and appreciating educators who make meaningful contributions to education and society.

Inter-House Football Tournament

Sardar Bhagwan Singh University (SBSU) organised an exciting **Inter-House Football Tournament**, bringing together students in a spirited display of teamwork, sportsmanship, and competitive spirit. The tournament provided students with an opportunity to showcase their football skills while promoting fitness, discipline, and team coordination.

Fateh House emerged as the winner, followed by Jujhar House in second place and Ajit House in third place. Zorawar House secured the fourth position.

The Best Player Award was presented to **Anmol Kotiyal**, M.Pharm 2nd Year, in recognition of his outstanding performance during the tournament.

The Sports and Athletic Club congratulated all the participating students and expressed its sincere gratitude to the University management for its continued support in promoting sports and nurturing sporting talent on campus. The tournament concluded on a positive note, celebrating not only sporting achievements but also the values of teamwork, perseverance, and sportsmanship.

Career Fair–2026

On **28 September 2026** representatives from SBSU, actively participated in the **Career Fair–2026 for National Universities**, organised at St. Joseph's Academy, Dehradun.

The Team SBS University interacted with students, providing valuable information about the university's diverse academic programmes, career opportunities, research prospects and student-centric initiatives.

The event served as an effective platform for meaningful interaction with prospective students and helped them explore higher-education opportunities aligned with their career aspirations.

NCC Cadet Sanjana Represents Uttarakhand Directorate

It was a memorable and proud moment for **Sanjana, BBA 2nd Year, SBS University**, as she had the distinguished opportunity to **meet and interact with the Hon'ble President of India**, while representing the **Uttarakhand Directorate**for the prestigious **Prangla Trek Expedition** (Kaza–Karzok, Spiti Valley)

The interaction with the President, along with the opportunity to meet distinguished armed forces personnel and dignitaries, provided Cadet Sanjana with valuable exposure and an enriching experience.

Such opportunities foster **confidence, leadership, discipline and a strong spirit of service**, reflecting the values nurtured through the **National Cadet Corps (NCC)**.

'Career Roadmap' Session

The **Training & Placement Cell** of SBSU organised a "**Career Roadmap**" session on September 28, 2026, for final-year students of the School of Pharmaceutical Sciences and Technology, Department of Physiotherapy, and Department of MLT & MM.

The session focused on helping students understand career pathways, make informed professional choices, and prepare effectively for their transition from academics to the professional world. The interactive session provided valuable insights into career planning, skill development, and future opportunities.

The University expressed its heartfelt gratitude to **Dr. Piyush Kumar**, Associate Professor, Department of Management Studies, Graphic Era Deemed to be University, for sharing his valuable guidance, expertise, and inspiring insights with the students.

Faculty Seminar

Sardar Bhagwan Singh University organised a **Faculty Seminar** on "**Autoimmune Hemolytic Anaemia**: Current Scenario" at the Seminar Hall, Biotechnology Block.

The seminar was delivered by **Dr. Anil Kumar**, Associate Professor & HOD, Department of MLT & MM, who shared insights into the current understanding, clinical aspects and emerging perspectives of autoimmune hemolytic anaemia.

The session provided faculty members with an opportunity to enhance their knowledge and engage in academic discussion on the evolving scenario of the condition. The seminar was conducted as part of the university's continued efforts to promote academic enrichment, knowledge sharing and professional development among faculty

जब हौसले ऊँचे हों तो ऊँचाइयाँ मायने नहीं रखतीं,

जब हौसले ऊँचे हों तो ऊँचाइयाँ मायने नहीं रखतीं,
जब इरादे मजबूत हों तो मुश्किलें मायने नहीं रखतीं,
और जब साथियों का साथ हो तो कोई भी मंजिल दूर नहीं लगती।"

जय हिंद एवरीवन!

मैं cdt Sanjana, अपनी मंजिल परांगला को फतह करने के लिए जब मैं शिमला से निकली, तो मुझे पूरा विश्वास था कि मैं बहुत बड़ी पहाड़न हूं और कोई भी पहाड़ मुझे surprise नहीं कर सकता।

लेकिन जब हम काजा से परांगला की ओर बढ़े। cold desert के उन विशाल पहाड़ों को देखकर पहली बार मुझे भारत की विशालता का एहसास हुआ और साथ ही अपने छोटे होने का भी।

जैसे–जैसे हम पहाड़ों के साथ आगे बढ़ते गए, एक एहसास और गहरा होता गया बड़ा होने के लिए सिर्फ बाहर की विशाल दिखाना नहीं अंदर से विनम्र होना भी जरूरी है। दिल्ली से निकलते समय रोज प्लानिंग होती थीकृऐसे चढ़ेंगे, वैसे चढ़ेंगे। लगता था हम expedition नहीं, बल्कि कोई corporate project चला रहे हो। लेकिन पहाड़ पर पहुँचकर हर दिन बस एक ही लक्ष्य रह गया आज का दिन पूरा करना, अगले कैंप तक पहुँचना और अपने गर्म स्लीपिंग बैग में जाकर सो जाना।

पहली बार महसूस हुआ कि हम सच में Present में जी रहे हैं।

खाने का भी अपना एक अलग महत्व था। मुझे सबसे अच्छा काम लगता था खाना सर्व करना। कितना बना है, कितना बचा है और अपने इनककल के लिए कितना बचाया जा सकता है। दिल्ली में सवाल था "आज खाने में क्या है?"

लेकिन पहाड़ पर सवाल बदल गया "आज खाना मिलेगा ना?"

taint pitching मुझे शुरुआत में बांमूंसा लगता था , लेकिन यह प्रेम bongrejon तक ही चला। उसके बाद समझ आया कि टेंट से ज्यादा जरूरत तो एक horizontal surface की थी, जहाँ बस गिर जाऊँ और थोड़ी देर के लिए ट्रेक, taint और दुनिया सब भूल जाऊँ।

दोपहर का भी अपना अलग मजा था। जब हम थककर आराम करने जाते, हमारे फनकार साथी ढोलक और मंजीरे के साथ गाना शुरू कर देते। प्रतिभा में कोई कमी नहीं थी, बस टाइमिंग थोड़ी एडवेंचरस थी।

एक दिन मैंने भी अपनी musical टीम बना ली। सबके सोने का इंतजार किया और जैसे ही मौका मिला, गाना–बजाना शुरू कर दिया।

अगर मेरी नींद गई है, तो लोकतंत्र में सबकी नींद उड़नी चाहिए!

लेकिन इन हँसी–मजाक और मस्ती के बीच, पहाड़ चुपचाप हमें बदल रहे थे।

जो लड़कियाँ शुरुआत में एक–दूसरे को जानती तक नहीं थीं, वही परांगला पार करते–करते एक–दूसरे का हाथ थामकर चल रही थीं।

हमने सीखा कि टीम की रफ्तार सबसे तेज चलने वाले व्यक्ति से तय नहीं होती, बल्कि सबसे पीछे चलने वाले साथी की देखभाल से तय होती है।

हम पहाड़ जीतने गए थे, लेकिन असल में हमने खुद को जीता।

और मुझे लगता है कि यही इस पूरे एक्सपीडिशन की सबसे बड़ी जीत है।

कल जब जिंदगी में मुश्किलें आएँगी, जब रास्ते कठिन होंगे, तब मैं खुद से सिर्फ एक बात कहूँगी—

"तुमने परांगला पार किया है, तो यह मुश्किल भी पार कर लोगी।"

इस यादगार अवसर के लिए मैं NCC अपने CO Sir ANO Mam GCI Mam's BN University Vice chancellor , और अपने माता–पिता का हृदय से आभार व्यक्त करती हूँ, जिन्होंने मुझ पर विश्वास किया और मुझे यह अवसर दिया।

धन्यवाद!

जय हिंद!
