

Educational visit to the IMA Blood Bank, Dehradun

Department of MLT and Medical Microbiology, Sardar Bhagwan Singh University, Balawala, Dehradun has organized an educational visit to the Blood Bank for 2nd year and 3rd year students of B.Sc. Medical Laboratory Technology and B.Sc. Medical Microbiology on 06/11/23 at IMA Blood Bank of Uttarakhand, Dehradun. Dr. Surbhi Pradhan and Mr. Naveen Singh were the tour in-charge during the visit.

Mr. Sudhir Joshi and his colleagues gave information about blood collection, types of equipment used, different blood groups, detail about rare blood

groups, Information about Blood Donation, Procedure of Blood Donation, How Blood Is donated to the person, blood component packaging, separation of blood components, labelling, colours used of denotations and storage of blood. They learned how a single unit of

whole blood can be separated into 3 different components PLASMA, PLATELET and RBC and can save 3 lives. The students were very happy after this visit and they got ample knowledge about Blood banking techniques and the guidelines
