

SBS University, Dehradun organized an interactive session on Entrepreneurship Mindset and Start-Up Management

Sardar Bhagwan Singh University, Dehradun organized an interactive session on entrepreneurship mindset and start-up management on Monday 12th September. Ms. Sukanya Dikshit alumni of SBSPGI (Batch: 2012-2015) was present as a resource person. Ms. Sukanya Dikshit is the CEO, PHABIO Enterprise and founded many start-up projects like EDOFLIP and Curalgia (Smart Shoe Insole).

The program was inaugurated by Prof. Veerma Ram (Officiating Vice Chancellor) accompanied by Prof. Maneesh Arora (Dean Students Welfare), Prof. Reena Kumari (Head of the Department,

School of Physiotherapy and Allied Health), Dr. Abu Zaid (Head of the Department, School of Life Sciences), Ms. Urmi Chaurasia (Controller of Examination) and Prof. R. Arunmozhi.

Ms. Sukanya Dixit elaborated on the impact of smart shoe insoles in the management of osteoarthritis and the improvement of GAIT. Ms. Dixit also interacted with the students and quenched their doubts about an entrepreneurship journey.

Prof. Dr. Vikas Singh Jadon pinned the “Old Students Association” badge to Ms. Sukanya Dixit and welcomed her to the great heritage of SBS alumni.

The program was coordinated by Dr. Maitri Chaturvedi. Faculty and students were present during the program.
